Simple. Sexy. Sophisticated. The Paul Labrecque philosophy underscores a forward thinking vision for natural beauty. Recognized by *Vanity Fair* as one of the countries Top 3 Stylists, Paul Labrecque's two award-winning salon & spa locations in Manhattan and luxury hair care product line, continue to offer the best of New York beauty without pretense.

What started out as a two seat salon on the Upper West Side in 1988 has now turned into two widely popular salons on both the East Side and West Side of Manhattan, each a cozy and relaxed getaway with a decidedly hip and friendly downtown vibe – Paul Labrecque Salon & Spa is a space where creativity and personalized attention flourish undoubtedly, the great success of Paul Labrecque lies not only in Paul's incredible abilities as a style visionary, but also in his uber-warm demeanor, and a "treat clients as friends" creed. To wit, Paul styles his very first client– no small feat in this competitive business.

The ultimate in service and treatments, Paul Labrecque houses an exceptionally talented and passionate staff of hairdressers, colorists, massage therapists, facialists, men's grooming experts, nail technicians, and makeup artists. Spa Director and skin care extraordinaire Regina Viotto gives detailed attention to client needs both in and out of the spa by delivering the most exceptional, high-quality skincare, spa treatments and at-home products available.

A special feature at the East Side location is a discreet Gentlemen's Salon & Barber Shop - the ultimate male grooming destination. Part barbershop, part gentlemen's club, this private upscale getaway offers more than just a shave in the most relaxing atmosphere possible. With a following that includes leading actors, athletes, royals, professionals and New York's hippest crowd, the Gentlemen's Salon & Barber Shop is the place to go for the best men's salon and spa services in town. With an extensive and unique service menu, The Gentlemen's Salon & Barber Shop goes well beyond the typical male salon.
